STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT *File Salary Advance*

TO : Assistant Executive Officer
FROM : General Counsel
SUBJECT: Request for Advance

DATE: 21 March 1947

1. The request for advance dated 17 March is approved by the Branch Chief involved. We feel that such approval is the Branch Chief's certification of his opinion that the advance requested is a necessary pre-requisite to the launching of an approved project.

2. Under these circumstances, there is no legal objection to approval of the loan by the ADSO under the terms and conditions of our ruling in the previous case, dated 4 March 1947, requiring the individual concerned to sign the necessary notes and letters of acknowledgment.
